The Women of the Bible

Speak

The Wisdom of 16 Women and Their Lessons for Today

By Shannon Bream \$30.00

People unfamiliar with Scripture often assume that women play a small, secondary role in the Bible. But, in fact, they were central figures in numerous biblical tales. It was Queen Esther's bravery at a pivotal point in history that saved her entire people. God's word contains warriors like Jael, judges like Deborah, and prophets like Miriam. The first person to witness Jesus's resurrection was Mary Magdalene, who promptly became the first Christian evangelist, eager to share the news that would change the world forever.

In *The Women of the Bible Speak*, the author opens up the lives of sixteen of these Biblical women, arranging them in pairs and contrasting their journeys.

The Women of the Bible Speak outlines the lessons we can take from the valor of Esther, the hope of Hannah, the audacity of Rahab, and the faith of Mary. In broadening each woman's individual story, the author offers us a deeper understanding of each, and wisdom and insights that can transform our lives today.
