LUTHERAN CHURCH
OF AUSTRALIA

where *love* comes to life

You may have heard of Regular Electronic Giving but it is more widely known simply as REG.

REG has been quietly supporting the mission of the Lutheran Church through congregational giving for over 20 years. Through REG over a thousand individuals and families are providing millions of dollars of offerings to hundreds of congregations annually.

Like some people, you might find it difficult to provide your congregation with a regular offering - for any number of reasons. So, if you are unable to attend church every Sunday, or you are tired of scrambling for cash before church, or you want to be more organised with your giving, REG might be the answer.

REG benefits

How REG benefits you

- » No need to remember to bring cash to church
- » If you are away from church, your offering is still made
- » You can apply 'first fruits' principles

How REG benefits your congregation

- » Provides a regular income or cash flow, making budgeting easier
- » Can increase giving through the convenience of direct debits
- » Safer because there is less cash to handle and bank each week

REG keeps things confidential

Your congregation doesn't receive any information regarding your identity or the amount of your offering.

REG card

If you would like to still put something on the offering plate **REG cards** are available free of charge from the LLL or your District office.
